100 Days of Dice Designs

Goals:

- Study the Elements of Art and Principles of Design
- Create compositions that use different design combinations

Guidelines for Play:

- Use fused elements to create one 7" x 7" composition every day for a total of 100 days
- Roll three dice to determine my assignment for each day (see chart below)
- Use the same background fabric to create 25 consecutive blocks (for a total of 4 background fabrics)
- Document my process:
 - o Photograph dice roll and finished composition
 - Personal critique: challenges/successes
 - o Post to Instagram/Facebook and/or a weekly blog post with all 7 exercises
